Rajya Sabha Starred Question Dy. No. 1074 for 12.08.2025 Regarding "Shortage of essential medicines in 2024-2025."

Sl.No.	Question	Answer
(a)	Whether any state government or central hospitals have reported a shortage of essential medicines in 2024-2025	At LHMC & Associated SSKH it is stated that there's no shortage of essential medicines in this hospital, however procurement of medicines is an ongoing process which depends upon patient load, disease pattern and also on the enhancement/advancement of technology in the medical field. As and when a particular indent of medicines received from an indenting deptt. The process of procurement is started which completes within standard time frame.
(b)	The drugs most commonly reported as being out of stock hospital-wise	Ministry like to reply.
(c)	Whether this shortage is linked to procurement delays or supply chin issues	
(d)	Whether the ministry has developed a digital stock monitoring system for government health facilities and	
(e)	Whether any emergency procurement mechanisms are in place for critical drugs?	At LHMC & Associate SSKH in order to ensure the availability of medicines in the hospital the procurement of medicines is being done as per the GFR Rules and Guidelines of MOHFW. This hospital procures medicines by adopting following mechanisms: - 1. By raising annual indent to government medical store depot. GMSD 2. By placing supply orders to the public sector undertaking under PPP through GeM. 3. By calling open tender as per GFR and GOI Guidelines. 4. The medicines which are required on urgent basis are being procured form authorized local chemists ALC.
