

Delhi Imaging Update (DIU) 2018

Delhi Imaging Update (DIU) 2018 was organized by Delhi State Chapter of IRIA in collaboration with Department of Radiodiagnosis, LHMC from 23rd to 25th March, 2018 at LHMC, New Delhi. The highlight of the CME was three musculoskeletal ultrasound live demonstration workshops held on day one, covering shoulder, elbow and wrist. On day two and three, there were didactic lectures on multimodality imaging, seminar on radiation protection and panel discussion on PC-PNDT Act. This CME was attended by more than 210 delegates. Dr Rajiv Garg, Director, LHMC was the Chief Guest, & Dr S.N Kaul and Dr M.K Narula were the Guests of Honour.
