CORRIGENDUM-I

Attention is required towards this office tender enquiry no. Stores/LHMC/19/Ortho Items dated 15th July 2019 and to state that following amendment are being carried out in the Terms and Condition and Specification of the aforesaid tender enquiry;

Sr. No.	Request for Amendment	Final Decision on Recommendations of Committee	
1	Technical specifications of orthopaedics surgical instruments set on page no. 03 mentions that the instruments should be European CE and US FDA certified. You are requested to change European CE and US FDA to European CE or US FDA to ensure good quality instruments and wider participation.	Acceptable	Instrument can be European CE or US FDA or BIS certified. Either of the above three mentioned certifications can be acceptable.
2	Under “instruction to the Bidder” on page no. 26 Point 4 & 5 mentions “Submission of samples”. We would request you to delete this point as instruments can be demonstrated for quality assessment as and when required.	Unacceptable	Submission of samples is essential to compare between different bidders at all stages of tender process.
3	The penalty for late delivery needs to be changed to 0.5% per week as that is practiced in other government hospitals.	Unacceptable	Not to be considered
4	The size variation of $\pm 10\%$ should be allowed to the bidder.	Acceptable	Size variation of $\pm 10\%$ can be allowed to the bidder
5	We would request you to confirm that it is not compulsory for the bidder to offer all the instruments.	Partially Acceptable	If bidder is referring to Group A : Orthopaedics Surgical instruments, then it is not compulsory to offer all instruments for rest of the Groups it is compulsory for the bidder to offer all the instruments.
