Recommendation regarding Representations against Terms & Condition of the Tender

M/s Lifecare Innovations Pvt. Ltd.				
S. No.	Existing Terms & Conditions	Request for Amendment	Justification if any	Recommendations of Committee: May be read as
1	Page No. Point No. 3: The EMD (Earnest Money Deposit) of Rs. 1,00,000.00 (Rupees One lakh only) shall be deposited through NTR Portal (Non-Tax Receipt) Government of India i.e. https://bharatkosh.gov.in & the Electronically Generated Receipt (dully verified by the Authorized Signatory of the firm) should be submitted along with the Technical Bids, without which the tender will be rejected. Any other form of EMD will not be accepted. The Earnest money deposit shall be valid for 36 months. The firms which are registered under MSME or Make In India will be exempted to deposit the EMD provision they have to submit necessary proof for the claim of their exemption, however these firms shall have to submit Performance Security if found responsive in the tender. The EMD deposited earlier, if any, will not be adjusted against this tender.	Since Lifecare Innovations is a MSME the company should be exempt from the Minimum Average Turnover requirement of Rs. 50 crores. Further, Lifecare innovations is also the holder of the patented formulation of Liposomal Amphotericin B 50mg in India.	--	The Micro & Small Enterprises (MSE) are exempted for deposition of EMD & Average Turnover requirement, provision they have to submit necessary proof for the claim of their exemption
2	Technical Evaluation	The Technical bid for the product	--	The technical bid will be evaluated on the basis of

The EMD deposited earlier, if any, will not be adjusted against this tender.</p>	<p>As per Clause 3 of the Instructions in the above referred Tender Enquiry Document MSMEs are eligible for exemption from EMD. However, no such exemption is apparently available to MSME for Minimum. Average Turnover requirement. It is logical that in the current scenario when Government of India is promoting MSMEs and incentivising them LHMC has perhaps erroneously missed out on giving similar exemption to MSMEs from Turnover clause. The desired exemption should be granted.</p>	--	<p>The Micro & Small Enterprises (MSE) are exempted for deposition of EMD & Average Turnover requirement, provision they have to submit necessary proof for the claim of their exemption</p>

The clause of submitting 10 % is on a very higher side. Please take a fixed amount PSD at the time of finalization of rate Contract as is being done by other Hospitals. Like Safdarjung is taking Rs.5 lacs or 10 % of the estimated order value whichever is lower towards PSD for both SJII & RMLII. 1.	Page No. 12 Point No. 14 In case of imported drugs, Bidder will submit a self-attested copy 'Batch Release Certificate' issued by the DCGI (Directorate Controller General of India). In case of failure, they could be debarred from participating in the next three (3) tenders and their Performance Security be forfeited and risk purchase clause invoked.	DCGI is a licensing authority which issues approval/ permission like Registration Certificate, Import License etc. and does not issue any 'Batch Release Certificate' for the drugs, as it is not a testing facility. DCGI doesn't issue any Batch Release Certificate from their end. All batches which are imported and available for commercial use are cleared from Asst. Drugs controller as part of the 'customs clearance' process. There is no separate documentation provided for the Batch releases, as it's their internal process.	--	The point be modified as under: All batches which are imported and available for commercial use, should be supplied with Clearance Certificate from Asst. Drugs controller as part of the 'Customs Clearance' process.
