

**DEPARTMENT OF OBSTETRICS & GYNECOLOGY
LADY HARDINGE MEDICAL COLLEGE**

Letter from HOD's Desk

We have a dedicated and experienced faculty, committed to do their best to heal the patients with utmost compassion observing ethical norms. We strive hard for academic excellence in undergraduate and postgraduate medical education by constantly acquiring new knowledge, skills and upgrade ourselves to keep pace with the latest in the field. We mentor and groom our students and residents to become compassionate human beings and skilled professionals and emphasize on innovative ideas and research. We sensitize them to the differential needs of the patients coming from various strata of society. We empower them to achieve their full potential and provide holistic care to the patients.

The faculty, residents, and support staff of the Department of Obstetrics & Gynecology Lady Hardinge Medical College & Associated Sucheta Kriplani Hospital are privileged to provide quality obstetrical and gynecological services to women with a pursuit for brilliance in teaching, training, and research.

We are committed to clinical excellence and our mission is to “Provide Evidence based Obstetric and Gynecological Care which is respectful, safe, timely, equitable, and patient centric”. For us, the patient is central, and we focus on patient experience at our facility.

We are proud of our faculty, residents and the support staffs who help us deliver the best to our patients.
