

MISSION VISION STATEMENT

MISSION

Provide quality obstetric and gynaecological care

QUALITY POLICY

1. To create and sustain a work environment in which all HCWs are empowered and committed to continuous quality improvement.
2. To strive to achieve optimal clinical outcomes while ensuring patient safety and satisfaction.

CORE VALUES

1. Compassion
2. Dedication
3. Integrity
4. Professionalism
5. Transparency

OBJECTIVES

1. Respectful care to all
2. To have standard operating procedures for all obstetrics and gynecological procedures.
3. Practice evidence-based medicine
4. Ensure positive birthing and care experience
5. To monitor patient satisfaction in all IPD admissions.
