21/10/2024

To,

The Director,
Lady Hardinge Medical College,
New Delhi.

Subject: Result of the interview for ICMR funded research project entitled **“Resuscitation with the umbilical cord intact in term and late preterm neonates”**

Madam,

The advertisement for the interview for post of one research scientist and four Staff Nurses was placed on Lady Hardinge Medical College website on 4-10-2024. The interview as per schedule was held on 21-10-2024. As part of the RECORD-IN trial “Resuscitation with the umbilical cord intact in term and late preterm neonates”, the interviews took place in the Department of Neonatology at Lady Hardinge Medical College. The interview panel comprised Dr. Sushma Nangia, Director Professor of Neonatology; Dr. Pratima Anand, Consultant in Neonatology; and Dr. Apoorva Kulkarni, Associate Professor in the Department of Obstetrics and Gynaecology. A total of four candidates interviewed for the Project Scientist position, while five candidates applied for the Staff Nurse roles. The interview process assessed the candidates' qualifications, relevant experience, and overall suitability for the positions within the context of the trial.

The candidates selected:

Research Scientist I- 1 post

1. Dr. Neetu (Selected)
2. Dr.Gurupriya(WL-1)
3. Dr. Prashant Gupta (WL-2 subject to age relaxation criteria to be assessed by administration)

Staff Nurse - 4 posts

1. Ayushi Arora (Selected)
2. Akanshaa (Selected)
3. Hemshikha (Selected)
4. Preeti (Selected)

No candidate under waitlist category.

Thanking you.

Yours Sincerely,

Dr. Sushma Nangia
